**NOTICE AND PROVISIONS FOR FILING A PETITION FOR CONTESTED CASE HEARING
RELATING TO ISSUANCE OF A CERTIFICATE OF COVERAGE**

A person who is aggrieved by the issuance of a certificate of coverage may file a sworn petition for a contested case hearing with the Office of Administrative Hearings of the Department of Labor and Economic Growth. The sworn petition must state the conditions of the certificate of coverage, and the general permit under which it was issued, which are being challenged.

Upon the filing of a sworn petition for a contested case hearing within 60 days of the publication in the Water Bulletin of notice of the issuance of a certificate of coverage, the Office of Administrative Hearings will open a file on the matter. A sworn petition for a contested case hearing filed more than 60 days after publication, absent the showing of good cause, may be rejected by the Office of Administrative Hearings as being untimely.
